

BACKGROUND

Council adopted a master plan for the **Croudace Bay Sports Complex**, 14 Parklea Avenue, Croudace Bay in 2018. As part of the Charlestown Development Contributions Plan, several upgrades and improvements to the Croudace Bay Sports Complex were identified to meet the future sporting needs of this growing community.

KEY FEATURES

Key features of the master plan include:

WHERE IS THE PROJECT UP TO?

The ongoing wet weather throughout March has caused a slight delay to our program. We will continue to complete works as we can when the weather clears and the grounds dry out.

- Cricket nets are nearing completion
- Netball court construction is nearing completion
- Field lighting works are now operational
- Amenities building construction is continuing - soccer and rugby league buildings
- Sports field design is complete. Tender will be released to market in April 2022 along with a contract to undertake civil and landscaping works.

Construction timeline

- Field lighting underway
- Cricket nets underway
- Netball courts underway
- Rugby league and soccer amenities buildings – January 2022–August 2022
- Field construction, landscaping and civil works – from September 2022

This work may be impacted by the ongoing COVID-19 situation facing our community. We remain fully committed to completing this work in a safe, diligent and reasonable manner under the current circumstances.
